LE-300

# flowmotion

# ODYSSEY

Thank you for choosing Odyssey Lighting. This lighting effect features a preinstalled lamp and is ready to be used.

## IMPORTANT!

Please read this User Guide before attempting to operate unit.

### OPERATING INSTRUCTIONS

This unit is ready to be used. This effect projects a simulation of colored light reflecting off rippling water. Make sure the effect is installed and operated in a well ventilated area. For the ultimate effect use in a very dark environment with the beam projected onto a light colored flat surface. To ensure the longest possible lamp life, please follow the Duty Cycle. This effect may be used at any safely mounted angle.

### CAUTION

Effect will get extremely hot. Please use a 10 min on & 10 min off **Duty Cycle** for best operation. After unit has been used, give unit enough time to cool down before handling it. **IMPORTANT!** Never open effect when in use, always disconnect cord from voltage before handling or moving the unit.

### IMPORTANT!

Never open the unit when in use. Always disconnect the power cord from the power source when replacing lamp or servicing the unit. Always replace fuse and lamp with the exact same type.

### LAMP REPLACEMENT

Using the two thumbscrews on the top of the unit remove the lamp door. Gently remove the old lamp, Then, using a clean cloth or glove, carefully insert the new lamp into the white ceramic socket. **NEVER TOUCH A NEW LAMP WITH YOUR BARE HANDS or FINGERS** (oil and dirt on your skin will damage the bulb).

### TROUBLESHOOTING

1. If the effect does not turn on	a) try plugging into an outlet you know is working. b) check fuse & make sure it is not blown
-----------------------------------	--

**WARNING**  
CAUTION:  
**UNPLUG UNIT**  
To avoid electrical shock unplug unit before servicing!  
For Lamp Replacement:  
Only use exact same voltage & lamp type

**IMPORTANT**  
**DUTY CYCLE**  
This device must be operated on a duty cycle.  
Failure to comply may result in extreme damage to unit and may void warranty.

**IMPORTANT**  
**NEVER TOUCH**  
any Halogen Lamp with bare fingers. Oil from your fingers will shorten lamp life. Never move fixture until lamp has enough time to cool. Lamps are not covered under warranty.

<i>Specifications</i>	
Beam Spread:	Medium
